

2 cakes compressed yeast - crumble
into mixture - Stir until
yeast is dissolved

Stir in 2 eggs

$\frac{1}{2}$ cup shortening

Mix in first 3 spoon, then a hand

7 - $7\frac{1}{2}$ cups sifted flour

Add flour in 2 additions, using the
and necessary to make it easy to
handle. Handle & knead the dough

according to directions
After second rising, divide dough for
desired rolls & coffee cake. Round up,
cover, & let rest 15 min. so dough
is easy to handle.

Shape doughs, let rise until light
(15 to 30 min). & bake according to
directions for each type of roll
or coffee cake.
