

ARUGULA AND RED ONION SALAD

“Nothing matches the taste of arugula!”

$\frac{1}{2}$ pound arugula leaves, rinsed and dried

$\frac{1}{2}$ cup chopped red onion

$\frac{1}{2}$ cup chopped flat leaf parsley

$1\frac{1}{2}$ tablespoons red wine vinegar

$\frac{1}{4}$ cup extra virgin olive oil

$\frac{1}{4}$ teaspoon sea salt

$\frac{1}{8}$ teaspoon freshly ground black pepper

...from our quick and easy collection

Place chilled arugula, onion and parsley in a chilled flat serving bowl. Put vinegar in small bowl and whisk in olive oil until well blended. Add salt and pepper. Spoon over salad. Serves 4-6.

Note: Our grandmothers grew arugula but called it rocket. They also loved the peppery bite that arugula gives a salad.

“Serve with a great pasta dish!”
