

Apple Puffed Pancake

Makes 6 to 8 servings.

- 6 eggs**
- 1½ cups milk**
- 1 cup all-purpose flour**
- 3 tablespoons sugar**
- 1 teaspoon vanilla extract**
- ½ teaspoon salt**
- ¼ teaspoon ground cinnamon**
- ½ cup butter**
- 2 large apples, peeled and thinly sliced**
- 2 tablespoons brown sugar**

Preheat oven to 425°.

In a food processor fitted with the metal blade or a large bowl, combine eggs, milk, flour, sugar, vanilla, salt

and cinnamon. Process or whisk with a wire whisk until blended. If mixing by hand, the batter will be a little lumpy.

Place butter in a 12-inch fluted porcelain quiche dish or a 9-by-13-inch baking pan. Place in oven until butter melts. Add apple slices and bake until butter sizzles (do NOT allow to brown).

Remove dish from oven. Pour in batter and sprinkle with brown sugar. Bake 20 minutes or until nicely browned and puffed. Serve immediately.

Nutrients per serving: 335 calories, 20 grams fat (52 percent total calories), 225 milligrams cholesterol, 368 milligrams sodium.
