MAKES 24

- 48 thin asparagus spears
- 2-1/2 ounces soft fresh goat cheese
(such as Montrachet), room temperature
- 2 tablespoons chopped fresh basil
- 1 tablespoon toasted pine nuts, chopped
- 1 tablespoon grated orange peel
- 2 ounces thinly sliced prosciutto, cut into
twenty-four 4 x 1-inch strips

Cut stalks from asparagus, leaving 2-inch-long tips. (Reserve stalks for another use.) Cook tips in large pot of boiling salted water until just crisp-tender, about 1 minute. Drain. Transfer to paper towels; drain well. Blend goat cheese, basil, pine nuts, water and orange peel in small bowl. Season with salt and pepper. Spread scant 1 tsp. filling over each prosciutto strip. Arrange 2 asparagus tips atop filling at short end of prosciutto. Roll up prosciutto, enclosing base of asparagus. Press to seal.
