Saute onion in oil until tender; add to soup pot. Stir in flour and cook over medium heat until golden brown; slowly stir in milk and cook over low heat until thickened slightly. Add potatoes and continue cooking over medium low heat for 10 – 15 minutes. Do not allow to boil! Just before serving, add crumbled bacon, cheese and sour cream and heat completely. Spoon into bowls and top each with bacon, cheese and green onions. Serves 8-10.
