BREAKFAST IN A BUN

“Ham, eggs and cheese in a buttered bun!”

$\frac{3}{4}$ cup cubed ham
1 tablespoon margarine
3 eggs, lightly beaten
 $\frac{1}{2}$ tablespoon milk
salt, to taste

pepper, to taste
4 slices American cheese
4 soft rolls (Vienna rolls or
hamburger buns)
1-2 tablespoons margarine

Sauté the ham until lightly browned, combine eggs and milk and beat gently. Add eggs to the ham and scramble. DO NOT OVERCOOK! Add seasonings. While eggs are cooking, lightly toast the buns which have been spread lightly with margarine. Spoon egg mixture on the bottoms of 4 buns; top each with a slice of cheese. Place under broiler until the cheese melts. Remove from oven and cover with top half of bun. Serve immediately or wrap in aluminum foil and keep warm.

Note: This is a great breakfast to serve to a crowd or for a family that doesn't all eat breakfast at the same time.

“Add sauteed onions or green pepper for an extra-special taste!”
