drained #2 size can - 20 oz.

Pepperidge Farm (Arnolds) white  
bread that has been cubed.

- STIR GENTLY OR FOLD TO BLEND

- Place in CASSEROLE (greased or  
un-greased) NO COVER  $1\frac{1}{2}$  - 2qt size

BAKE 1 HR 350° TOP SHOULD BE BROWN →

SERVE HOT (WITH HAM) OR COLD.

I use <sup>a little</sup> less sugar and do not grease the casserole and it seems fine. Also Arnold's bread slices are thicker, larger than Pepperidge Farm - use 6 slices P.F. and 5 or 6 Arnolds and it also seems fine. I've also made it with margarine without adverse effects.
