CHEESE SOUFFLÉ *"Made in the blender!"*

8 ounces sharp cheese, cut
into chunks
10 slices white bread (crusts
removed)
2½ tablespoons butter

4 eggs
2 cups milk
1 teaspoon salt
½ teaspoon dry mustard

Preheat oven to 350. Divide the ingredients in half and process in the blender on high speed. Pour mixture into a greased uncovered 1½ quart casserole. Bake 50-60 minutes.

Note: This can be prepared a day ahead and baked the following day or it can be whipped up at the last minute.

“Foolproof! You would never guess it’s made with bread! Delicious!”
