"A delicious microwave recipe!"

1 10-ounce package frozen leaf
spinach, cooked and drained

or

1 pound fresh spinach, cleaned
and washed

2 tablespoons butter

2-4 tablespoons chopped onion

2 tablespoons flour

1 cup milk

1/4 cup grated parmesan
cheese

1/8 teaspoon nutmeg

1/8 teaspoon salt

pinch white pepper

Cook frozen spinach by directions on package. Melt butter at full power in 1 quart covered microwave-safe bowl; add onions. Cover and cook on full power for 3 minutes; stir once during cooking. Add flour and mix to a smooth paste. Gradually blend in milk; stir until well blended. Return dish to microwave and cook on full power for 2 1/2-3 minutes until well thickened. Stir 3 or 4 times during cooking. Remove from oven and add remaining ingredients; fold in drained spinach and serve hot. Serves 4.

Note: To cook fresh spinach: use only water that clings to spinach after washing. Place in microwave-safe dish, cover and microwave for 3-5 minutes or until just done. Do not overcook. Drain well.
