EASTERN SHORE OYSTER STEW

"Easy and deliciously different!"

1 pint of oysters, standards
or selects, undrained
3 cups milk
4 ounces whipping cream
2-3 tablespoons chopped onion
1 small potato, diced
1 1/2 teaspoons fresh lemon juice
1 rib celery, chopped

2 tablespoons butter
2 ounces cream cheese
1 teaspoon fresh parsley, minced
1/4 teaspoon salt
1/8 teaspoon cracked pepper
sprigs of parsley, for garnish
soup crackers

Combine all ingredients except sprigs of parsley and crackers in a large heavy pot and cook over lowest heat for 1 hour. Do not cover. Garnish with fresh parsley and serve hot. Serves 4-6. Serve with crackers.

Note: This unusual sounding recipe produces a creamy oyster stew with tender oysters and delightfully crisp vegetables.

“Double or triple and cook the same way to serve a crowd!”
