

FROZEN PINEAPPLE DESSERT SALAD

1 pkg (8 oz) soft cream cheese	$\frac{1}{2}$ cup chopped walnuts
1 cup mayonnaise or cooked salad dressing	$\frac{3}{4}$ cup maraschino cherries, drained and chopped
1 can (20 $\frac{1}{2}$ oz) pineapple tidbits, drained	1 cup heavy cream
	Crisp lettuce leaves

Combine cream cheese with mayonnaise in medium bowl; beat, with spoon or portable electric mixer, until smooth. Add pineapple, walnuts, and the maraschino cherries; then stir until well mixed.

Beat cream in small bowl just until stiff enough to hold its shape. Gently fold into cream-cheese mixture until thoroughly combined. Turn mixture into 1 $\frac{1}{2}$ -quart ring mold that has been rinsed with cold water. Freeze until firm—about 3 hours.

To serve: Loosen edges of mold with sharp knife. Unmold on lettuce leaves. Makes 8 to 10 servings.
