FRESH APPLE COFFEE CAKE

"Fresh apples layered in the center!"

1/4 cup light margarine
1 cup sugar
1/4 cup applesauce
egg substitute equivalent to 2 eggs
1 teaspoon vanilla
2 cups presifted flour
1 teaspoon baking powder
1 teaspoon baking soda

1 cup fat-free sour cream
no-stick cooking spray
1 medium apple, peeled and thinly
sliced
TOPPING:
1/2 cup pecans, chopped
2 teaspoons cinnamon
1/2 cup sugar

Preheat oven to 375. Cream margarine and sugar; blend in applesauce. Add egg substitute and vanilla; blend well. With a fork mix together well the presifted flour, baking powder and baking soda. Gradually add flour mixture and sour cream to creamed mixture, beginning and ending with flour. When blended, spoon half of batter into sprayed bundt pan. Layer apples on top of batter; sprinkle with half of topping mixture. Top with remaining batter and sprinkle with remaining topping. Bake for approximately 40 minutes or until center springs back when pressed gently. Yields 16 slices.

“Great for brunch, morning coffee break or dessert!”
