FRESH ZUCCHINI BISCUITS

"Flavored with Cheddar cheese!"

2 cups unpared zucchini,
shredded
1 teaspoon salt, divided
4 cups flour, divided
1 tablespoon baking powder
2 teaspoons baking soda
1/4 teaspoon freshly cracked
pepper

1/8 teaspoon sugar
3 tablespoons butter or
margarine
1 cup grated sharp Cheddar
cheese
1 egg
1 1/2 cups buttermilk

Preheat oven to 400. Sprinkle zucchini with salt and let stand for 30 minutes; rinse and drain well. Squeeze zucchini dry with paper toweling; place in mixing bowl and set aside. Sift 3 cups of flour and next four ingredients together; cut in butter or margarine with pastry blender until mixture resembles corn meal. Stir in cheese; mix egg, buttermilk and zucchini and add to flour mixture. Stir only until flour is moistened. Place remaining 1 cup of flour on large cutting board; place dough on flour and knead 6 times working in all remaining flour as you knead. Use hands to pat dough to 3/4-inch thickness. Cut biscuits into 2 1/2-inch circles and place on ungreased cookie sheet. Bake for 12-15 minutes or until golden brown. Yields 30-36 biscuits.

Note: Cooked biscuits can be frozen. After kneading dough, additional flour can be added if dough seems too soft.

“Serve with fresh summer vegetables, barbecue or homemade soup!”
