Heat oil in a large frying pan. Add onion and cook for 3 minutes; add garlic and cook 2 additional minutes or until onion is softened but not brown. Add chopped tomatoes, vegetable broth, beans, olives and lemon juice; cover and cook over low heat for an additional 12-15 minutes, stirring occasionally, until the sauce is thickened and beans are tender. Season with salt and pepper to taste; serve immediately. Serves 4.

Note: Fresh tomatoes are best. If tomato skins are thin; peeling is not necessary.
