

# GREEN TOMATO CHUTNEY

"An end-of-the-summer treat!"

4-5 pounds green tomatoes, chopped  
1 pound Granny Smith apples, peeled and chopped  
1 pound onions, peeled and chopped  
1-2 large garlic cloves, peeled and minced  
2-3 teaspoons salt  
3 tablespoons pickling spice, tied in cheesecloth  
2½ cups cider vinegar  
2 cups sugar

*...from our collection of family favorites*

Place the first five ingredients in a large, heavy-bottom saucepan; add pickling spice bag and half the vinegar. Bring to a boil and immediately reduce heat to low and simmer uncovered for 1 hour. Dissolve sugar in remaining vinegar and add to the tomato mixture. Simmer an additional 1½ hours or until mixture is thick. Remove spice bag and spoon hot chutney into sterilized jars. Seal by package directions or see below. Store for 1 month before using.

Yields 10-12 fruit jars.

To seal jars: Fill to within ½-inch of top; place flat lid on jar; add outer rim of top and seal tightly. Then unscrew half a turn and leave until completely cool. When completely cool, tighten securely.

“Delicious with pork roast or game!”
