HOMEMADE HOT FUDGE SAUCE

"Treat yourself to a hot fudge sundae!"

*2 1-ounce squares unsweetened
baking chocolate
1 cup sugar*

*1/2 cup evaporated milk
1 teaspoon vanilla
1/2 gallon vanilla ice cream*

Combine all ingredients in the top of a double boiler. Cook over medium-high heat until the sauce thickens. The cooking time will vary but it averages 15 minutes. The longer it cooks, the thicker it gets. Yields 1½ cups.

Note: If a double boiler is not available, use a very heavy sauce pan and cook over lower heat. Watch carefully!

“Quick to make! This sauce turns your favorite flavor or ice cream into a fantastic sundae!”
