

Molded Peach Surprise

2 packages lemon flavored gelatin

2 cups H_2O - hot

2 cups cold H_2O

2 tablespoons lemon juice

1 cup thinly sliced fresh peaches,
sweetened.

$\frac{1}{2}$ cup whipping cream.

Resolve gelatin in hot H_2O . Add cold H_2O
& lemon juice. Chill until slightly
thickened. Reserve one cup of mixture

Fold peaches into remaining gelatin
& spoon into 8 x 8 x 2 in pan. Chill
until almost firm.

Place bowl of reserved gelatin in bowl of
ice & water. Beat $\bar{c}$ egg beater until fluffy
& thick. Whip cream & fold into whipped
gelatin & spoon over other layer. Chill
until firm.

To serve, cut into squares & garnish
 $\bar{c}$ slice of fresh lime & sprig of mint,
if desired.

8-10 servings.
