Preheat the oven to 400 degrees. Peel and quarter the potatoes; rinse well and pat thoroughly dry with paper toweling. Place butter and oil in a shallow roasting pan; place in oven to heat. When butter has melted, add potatoes, red onions and garlic. Toss well, then spread out into one layer. Place pan in the oven and roast for 10 minutes. Stir gently; add rosemary and cook an additional 10-15 minutes or until golden brown and tender. Season with salt and pepper when removing from oven. Garnish with rosemary sprigs. Serves 4.

Note: Remove garlic cloves or allow guests to peel and enjoy.
