*...from our quick and easy collection*

Sauté onions and pepper strips in olive oil. When vegetables begin to soften add zucchini and sauté 3-5 minutes longer. Add tomatoes and cook until tomatoes are softened (about 3 minutes). Season with salt and pepper. Place mixture in a shallow casserole dish and sprinkle with cheese. Just before serving time, bake the casserole in a preheated 375 degree oven until topping browns and vegetables are hot. Serves 6-8.

Note: To speed browning of the cheese, run under broiler for a couple of minutes.
