STRAWBERRY JAM MUFFINS

"Strawberry jam is baked in the center!"

2 cups flour
1/4 cup sugar
3 teaspoons baking powder
1/2 teaspoon salt
1 teaspoon fresh grated lemon
peel
1 cup milk

1/3 cup vegetable oil
1 egg, beaten
12 teaspoons strawberry jam
or
12 teaspoons strawberry preserves
3 teaspoons sugar
1 teaspoon cinnamon

Preheat oven to 400 degrees. Grease 12 muffin tins. Sift flour, sugar, baking powder and salt into a mixing bowl; add lemon peel. Combine milk, oil and egg; beat with a fork until well mixed. Make a well in the center of the flour; add milk mixture all at one time and stir ONLY until ingredients are moistened. DO NOT OVER MIX! Place 1 tablespoon batter in bottom of each tin, top with 1 teaspoon strawberry jam or preserves and top with an additional tablespoon of batter. Sprinkle muffin tops with sugar and cinnamon. Bake approximately 18-20 minutes or until the center springs back when touched gently. Yields 12 large muffins.

Note: Work quickly when putting the batter and jam in the muffin tins; bake immediately. Measurement for baking powder is correct. Homemade preserves can be used in this recipe.

“The strawberry center provides a delicious surprise. Serve hot with soft butter!”
