Fans of caramel will love the deep, rich flavor of this heavenly topping.

- $\frac{2}{3}$ cup unsalted butter**
- $1\frac{1}{2}$ cups granulated sugar**
- $1\frac{1}{2}$ cups packed brown sugar**
- 1 cup whipping cream**
- $\frac{1}{2}$ cup water**
- 2 teaspoons vanilla**
- $1\frac{1}{3}$ cups toasted sliced or slivered almonds**

In a large saucepan melt butter; stir in sugars, cream, and water. Bring to boiling; reduce heat. Boil gently, stirring frequently, till mixture thickens slightly, about 15 minutes. Remove from heat. Stir in vanilla and almonds. Cover and chill until needed; reheat to serve warm or at room temperature. Makes 4 cups (sixteen $\frac{1}{4}$ -cup servings.)

Note: *To make more sauce, it's best to make the basic recipe as many times as needed rather than double or triple the recipe.*
