BREAD:

2 cups sugar
1 cup butter, softened
4 eggs
5 cups flour
1 teaspoon salt
5 teaspoons baking powder

1 cup milk

3 cups blueberries, washed
and drained

TOPPING:

1 tablespoon cinnamon
4 tablespoons sugar

Preheat oven to 350. Have all ingredients at room temperature. Use electric mixer on medium to cream sugar and butter until light and fluffy. Beat in eggs, one at a time. In a separate bowl, combine all dry ingredients and stir well. Add dry ingredients to batter alternately with milk; end with flour. Fold in blueberries. Pour batter into 3 (9 x 5 x 3) greased and floured loaf pans. Combine topping and sprinkle on each loaf. Bake 45-50 minutes or until center springs back when pressed lightly. Do not overbake. Yields 3 loaves.

Note: A small amount of the flour can be used to dredge berries. This keeps berries from sinking to the bottom.

HOW TO MEASURE FLOUR: Flour should be sifted and then spooned into a measuring cup. The cup should be tapped very gently and then leveled off with the flat edge of a knife. Flour should not be packed into the measuring cup.

“Eat one while it’s warm and wrap the others in foil and freeze.
