1 pound backfin or lump crabmeat
4 saltine crackers, crumbled
1 tablespoon fresh minced parsley
1/2 teaspoon Worcestershire
sauce
2-3 shakes of Tabasco sauce
1 egg, beaten

1 cup mayonnaise, divided
1/2 teaspoon Old Bay seasoning
1/2 teaspoon salt
1/8 teaspoon cracked pepper
paprika

Gently pick through crab to remove all pieces of shell. Do not break apart lumps of crab. Combine next nine ingredients except for 1/4 cup of mayonnaise; mix well. Gently fold in crab. DO NOT OVER MIX! Form into six cakes. Place on a foil-covered cookie sheet. Spread each crab cake with an equal portion of the reserved mayonnaise, sprinkle with paprika. Bake in a preheated 350-degree oven for 20 minutes or until golden brown. DO NOT OVERBAKE! Garnish with parsley and lemon. Serves 4-6.

Note: Can be prepared early in the day, placed on a cookie sheet, sealed in plastic wrap and baked when ready to serve! This is the perfect way to serve crab cakes to guests. No messy frying at the last minute!
