

~~- Nell Lannon - Fort Allen~~
Bitter mints - very good

2c - white sugar

$\frac{1}{8}$ # butter (4 T)

$\frac{3}{4}$ c. boiling H_2O
———

7 drops oil of peppermint or wintergreen
coloring if desired
———

Mix sugar & H_2O & place over heat. Stir
until sugar is dissolved. Clean
pan & gauge wrapped around knife

or fork. Add butter - continue cooking
without stirring till thermometer
reaches 264°F (El Paso cook to 252°F)

Remove from heat.

Pour in large flat pan which has
been greased (cookie sheet & sides).

(Do not scrape pan).

Cool until it can be handled
comfortably, turning in edges as it
cools. Add peppermint or wintergreen &
coloring & pull like taffy. Cut

(2)

Butter Mints - can't.

to scissors. Cool & store in tin
box until it creams.

White - plain

Green - oil of wintergreen

Red - oil of peppermint
