

CHERRY-GLAZED CHEESE PIE

1 9-inch unbaked
Graham-Cracker
Crust, below
1 pkg (8 oz) soft
cream cheese
 $\frac{1}{2}$ cup sugar
2 tablespoons flour
3 eggs
 $\frac{1}{3}$ cup milk
1 teaspoon
vanilla extract

Cherry Glaze
1 can (1 lb, 4 oz)
tart red cherries,
packed in water
 $\frac{1}{4}$ cup sugar
1 tablespoon corn-
starch
 $\frac{1}{4}$ teaspoon almond
extract
Red food color

Make pie shell; refrigerate while preparing filling. Preheat oven to 350F. In large bowl, with wooden spoon, beat cheese until light. Add sugar gradually, beating until mixture is smooth. Add flour and eggs; beat thoroughly. Add milk and vanilla, beating until well combined.

Pour filling into pie shell; bake 40 minutes, or until firm in center and lightly browned. Let cool on wire rack.

Meanwhile, make Cherry Glaze: Drain cherries, reserving 1 cup liquid. Combine sugar and cornstarch in small saucepan. Stir in reserved cherry liquid; bring to boiling, and boil, stirring constantly, until thickened and translucent. Add almond-extract and few drops red food color; refrigerate until cold. Add cherries; spread on cooled pie. Refrigerate until serving time. Makes 8 servings.

GRAHAM-CRACKER CRUST

1 $\frac{1}{4}$ cups graham-
cracker crumbs*

$\frac{1}{4}$ cup soft butter
or margarine

$\frac{1}{4}$ cup sugar

$\frac{1}{4}$ teaspoon
cinnamon

Combine all ingredients in medium bowl; blend with fingers, fork, or pastry blender. Press evenly on bottom and side of 9-inch pie plate—not on rim. Refrigerate.

*With rolling pin, roll 14 graham crackers between 2 sheets of waxed paper, to make fine, even crumbs. Measure 1 $\frac{1}{4}$ cups.
