Preheat oven to 350 degrees. Score top of ham and stud with cloves. Line a 9x13 pan with heavy duty aluminum foil. Bake ham uncovered for 30 minutes. While ham is baking, prepare glaze: Combine water, orange juice, honey and spices in medium saucepan. Mix $\frac{1}{2}$ cup of orange juice mixture with cornstarch; stir mixture into remaining orange juice in saucepan and cook over medium heat until mixtures comes to a boil. Boil 1-2 minutes and remove from heat. At the end of 30 minutes, spoon glaze on top of ham and bake an additional 30 minutes. Add additional glaze every 10 minutes. Transfer to serving platter; surround with sliced oranges and parsley. Decorate ham with cherries. Server warm or cold. Serves 10-15.

Note: The remaining glaze may be heated and served with sliced ham. A large canned ham can be used in this recipe.

“Serve with pleasure; the ham looks sensational and has spicy, orange taste!”
