FLOUNDER DIVAN IN CREME SAUCE

"A delicious seafood recipe for the microwave!"

CREME SAUCE:

3 tablespoons margarine
3 tablespoons flour
1 cup half and half
1 cube Knorr-Swiss Instant Fish
Flavor Bouillon and Seasoning
or
1 chicken bouillon cube
1 cup hot water

1 10-ounce package chopped
frozen broccoli
4 fresh flounder fillets or
1 12-ounce package Gorton's
frozen flounder fillets
2 teaspoons butter
2-3 ounces sliced mushrooms,
drained

(over)

1 teaspoon Parmesan cheese

1/8 teaspoon paprika

SAUCE: Prepare sauce by melting margarine in small saucepan, add flour and allow to bubble 2-3 minutes over low heat. Remove from heat, stir in half and half plus fish seasoning which has been dissolved in 1 cup hot water. Return to heat; cook until thickened.

FISH: Place broccoli in 9-inch pie plate. Microwave on high for 4 minutes; drain well and return to dish. Top with fillets. Place a pat of butter on each. Cover with vented plastic wrap. Microwave on high for 3-6 minutes depending on thickness of fillets or until fillets are opaque. (Rotate 1/4 turn every minute.) Top fillets with mushrooms, creme sauce, cheese and paprika. Cover and microwave on high for 1-2 minutes or until sauce bubbles. Serves 2-4.

Note: Frozen fillets do not have to be defrosted. Can also be prepared in individual casseroles.
