Put the potatoes in a saucepan of boiling salted water and parboil them for 15 minutes. Combine salmon, dill, lemon juice, salt and pepper in large bowl. Drain potatoes and let cool; when cool peel. Shred potatoes into strips through coarse side of grater box. Add salmon to the mixture. Mix gently together; keeping potato strips whole. Divide the salmon and potato mixture into 8 portions; shaping into patties to approximately $\frac{1}{2}$ -inch thick. Pat the patties lightly with flour, shaking off excess. Heat the oil in a large frying pan. Add the salmon cakes and fry until crisp and golden brown on both sides, 3-5 minutes. Drain salmon cakes on paper toweling, place on plate and serve with the spicy mayonnaise. Serves 4-8 depending on the rest of menu.
