Chicken: Place breasts in storage bag; squeeze lemons over chicken and place lemon pieces in bag with chicken. Add 1/4 cup olive oil, garlic, salt and pepper to bag; close bag and place in refrigerator to marinate for a minimum of 8 hours or overnight.

To Grill: Remove chicken from bag; discard bag and contents. Place chicken over hot fire and sear both sides quickly; reduce heat and cook over a medium fire for 8 - 10 minutes depending on size and thickness of breasts. Brush with remaining virgin olive oil twice while grilling. Do not overcook.

To Serve: Arrange on serving plate; garnish with sliced lemon and fresh rosemary sprigs. Serves 6 - 8 depending on rest of menu.

"Serve with one of the many new gourmet mustards as an optional sauce. Key lime or a whole grain mustard would be delicious"
