### GRILLED CHUCK STEAK

"Nice and tender!"

1 2 1/2-3 pound chuck steak,  
trimmed of excess fat

#### **MARINADE:**

1/2 cup extra-virgin olive oil

1/2 cup ketchup

1/4 cup red wine vinegar

1/4 cup chopped onions

1-2 cloves garlic, minced

2 teaspoons sweet pickle relish

1 teaspoon sugar

1 teaspoon chili powder

1/2 teaspoon Tabasco

Place steak on cutting board; use sharp fork to pierce meat all over on both sides. Combine all marinade ingredients and mix well. Place chuck steak and marinade in a large, heavy-duty, sealed plastic bag; seal securely. Marinate overnight in refrigerator; turning bag several times. Remove steak from bag when ready to cook; reserve marinade to use while grilling. Cook on a hot grill for 4-8 minutes per side, depending on thickness of steak. Brush continually with marinade. Do not over cook. Discard any unused marinade. Slice on the diagonal in thin slices. Serves 4-6.
