GRILLED TERIYAKI STEAK

"Cooked over charcoal for added flavor!"

1 sirloin steak, at least 1-inch
thick

1/2 cup soy sauce

1/2 cup water

1 tablespoon dark brown sugar

1/8 teaspoon garlic powder

1 1/4–1 1/2 teaspoons ground
ginger

3 tablespoons butter, softened
(optional)

1–2 tablespoons green onions in-
cluding tops, chopped (optional)

cracked black pepper

Trim fat from steak. Combine soy sauce, water, sugar, garlic powder and ginger. Place steak in marinade for 1 1/2-2 hours; refrigerate while marinating. Turn twice while marinating. Grill over HOT coals. For a medium-rare steak grill 5-7 minutes on each side. Do not overcook! Remove from grill and slice in thin slices. Combine butter and green onions; serve with hot steak and top with a sprinkling of cracked pepper. Serves 4-8 depending on the thickness of the steak.

Note: For thicker steaks, adjust cooking time. This recipe works just as well on a gas grill. Adjust cooking time as necessary for a gas grill.
