Grilled Top Round London Broil

Serves 4.

1 top round London Broil, approximately 2-inches thick

Marinade:

1 1/2 cups canola oil
1/3 cup Dijon mustard
3/4 cup soy sauce
1/3 cup Worcestershire sauce

1/2 cup lemon juice
1/2 teaspoon black pepper
1 teaspoon chopped garlic

To prepare the marinade, combine all marinade ingredients and whisk to incorporate. Place the London broil in a large glass or non-reactive dish. Cover with half of the marinade (Reserve remaining marinade for later use; store refrigerated for 7-10 days).

Cover and refrigerate in marinade for 30 minutes. Preheat an outdoor grill on high. Remove the steak from marinade and pat dry with paper towels. Grill over hottest part of the grill for 4-5 minutes. Turn and reduce heat to low. Move steak to indirect heat and continue cooking on low for 12-15 minutes or to desired doneness. Medium rare internal temperature should read 130-140 degrees. Serve with grilled vegetables and fresh corn on the cob.
