BANANA SKY SCRAPER

“Fun to make and even more fun to eat!”

*1/2 cup maple flavored syrup
1/2 cup walnut pieces
1/2 gallon chocolate ice cream
6-8 ripe bananas, halved
lengthwise and quartered
1/2 gallon vanilla ice cream*

*6-8 tablespoons Hersheys
chocolate syrup
8 ounces whipping cream,
whipped
6-8 maraschino cherries*

Combine syrup and nuts. Place one tablespoon of the nut mixture in the bottom of each sundae glass or glass mug. Top with a scoop of chocolate ice cream; add 4 banana pieces (cut side facing out) so they stand above the rim of the glass. Add 1 scoop of vanilla ice cream between the banana pieces. Top with 1 tablespoon chocolate syrup and 1 tablespoon of the nut mixture. Spoon whipped cream on the top and garnish with a cherry. Serve 6-8 happy people!

Note: Make as many as you wish by adjusting the amount of the ingredients. Keep the remaining nut mixture in a covered container in the refrigerator for later use.
