

Coconut Pecan Frosting

1 cup evaporated or half & half milk.

1 cup sugar

3 egg yolks

1/2 pound margarine

1 teas vanilla

1 can tender thin flaked coconut

1 cup chopped pecans

Combine evaporated or half & half milk, sugar, egg yolks, margarine and vanilla in a saucepan. Cook over medium

beat 12 minutes, stirring constantly,
until mixture thickens. Add
cocoa nut & pecans. Beat until cool
and of spreading consistency. Makes
enough to cover tops of 3 - 9 in. layers
Do not frost sides of cake.
