

COCONUT SOUR CREAM LAYER CAKE

2 cake layers, baked and cooled
2 cups sugar
16-ounce container sour cream
12-ounce container frozen coconut, thawed
1 large container frozen whipped topping, thawed

Split layers. Combine sugar, sour cream and coconut. Blend and chill. Reserve one cup of mixture for frosting. Spread remaining portion between layers. Combine reserved mixture with whipped topping and ice the cake. Seal in an airtight container and refrigerate for three days before serving.

MOTHER'S 1-2-3-4 CAKE

1 cup butter
2 cups sugar
3 cups sifted cake flour
3 teaspoons baking powder
1/2 teaspoon salt
4 eggs
1 cup milk
1 teaspoon vanilla
1/2 teaspoon almond extract

Cream butter and sugar until light and fluffy. Beat 10 minutes with electric mixer. Sift flour with baking powder and salt. Add eggs, one at a time, to the creamed mixture, beating well after each addition. Add flour mixture alternately with milk and flavorings, beating after each addition until smooth.

Pour batter into three 9-inch layer pans, greased and floured and lined on the bottom with waxed paper. Bake at 350 degrees for 25 to 30 minutes. Cool in pans for 10 minutes before turning out on a wire rack to cool. Ice with any favorite icing, if not using for cake above.
