Line muffin tins with baking cups. Place 1 vanilla wafer in bottom of each cup. Fill $\frac{3}{4}$ full with cheese mixture. Bake 20 minutes in 350 degree oven. Cool one hour and refrigerate or freeze for later use.

Before serving, top each with a spoonful of cherry pie filling and remove from papers. Makes 18.
(For smaller cheesecakes, use graham cracker crust mixture in bottom of miniature paper baking cups in tiny tins. Use one cherry atop each cake.)
