

HOLIDAY SUGAR COOKIES

"An easy holiday treat!"

- 1 cup margarine or butter, softened
- 2 cups sugar, divided
- 2 egg yolks
- 1½ teaspoon salt
- 1 teaspoon soda
- 1 teaspoon cream of tartar
- 2 cups flour, measure before sifting
- 1 teaspoon almond extract
- Red or green sugar crystals, optional (see note)

...from our collection of family favorites

Preheat oven to 325 degrees. Use an electric mixer on low speed to cream margarine or butter with $1\frac{1}{2}$ cups sugar; add egg yolks. Sift dry ingredients; mix with creamed sugar mixture. Add almond extract; mix well. Form into 1-inch balls and roll in remaining $\frac{1}{2}$ cup sugar. Space balls 2 inches apart on an ungreased cookie sheet. Do not flatten cookies. Bake 10-12 minutes. Remove from baking sheet while warm. Yields 4 dozen.

Note: Do not crowd cookies together since they spread while baking. Cookies will be soft when removed from oven but will firm as they cool. Can be made ahead and frozen.

Festive Touch: Use decorative sugar to sprinkle tops after baking.
