(This recipe costs a friend of Carol's \$250.00!!!!!!!!!!!!)

Carol's friend is an OR nurse at Sibley Hospital in Washington, D.C.
One day she noticed an add for "Mrs. Field's Cookie Recipe" and decided to
call for it. The person answering her call told her that there would be a
two-fifty charge for the recipe and she could pay by check or use a credit
card — she charged it, only to find out when her credit card statement
arrived, that the price of this recipe was two hundred and fifty dollars — irate,
she called the advertised number again, charging them with deceitful practice,
to no avail. Thus, you are the recipient of "Mrs. Field's Cookie Recipe" — as this
young lady promised the person on the phone that she would see to it that the
entire population of the United States, and possibly the world, would receive
a copy of her recipe. So pass it on to your friends!
