STRAWBERRY SHORTCAKE-SUNDAE

"A delightful Danish dessert!"

8 plain homestyle Eggo waffles
 $\frac{1}{4}$ - $\frac{1}{2}$ cup confectioners sugar
 $\frac{1}{2}$ gallon vanilla ice cream
2 pints strawberries, sliced and
sugared

or

16 ounces frozen strawberries in
syrup, thawed
8 ounces whipping cream,
whipped

Toast the waffles lightly following directions on box. Cool waffles slightly. Sift confectioners sugar lightly over the top of each waffle after it has been placed on serving plate. Top with a scoop of ice cream, strawberries and whipped cream. Serves 8 or as many as you wish. Simply prepare as many waffles as you plan to serve.

Note: The waffle makes the quickest, most delicious shortcake and the waffle holds all the juice! This dessert can be served all year since it's delicious when made with frozen berries.

"Looks sensational and tastes even better!"
