4 tuna steaks

$\frac{1}{8}$ teaspoon freshly ground black pepper

2 ounces pickled ginger, for garnish

...from our quick & easy collection

Preheat grill. Place tuna steaks in a shallow dish; cover with teriyaki sauce, salt and pepper. Allow to marinate 10 to 30 minutes. After grilling pineapple (see below), grill tuna steaks. Cook only to rare or medium doneness. Remove from grill and place each steak on prepared pineapple shells; top with grilled pineapple and Pico de Gallo. Serve with pickled ginger. Serves 4.

Topping: Leave green leaves on pineapple; slice pineapple lengthwise in fourths. Remove the whole piece of pineapple from each section; reserve the shell. Remove the core and discard. Slice the pineapple lengthwise into 2 to 3 pieces. When grill is hot, grill pineapple slices until charred slightly; dice into $\frac{1}{2}$ inch cubes and combine with Pico de Gallo. Set-aside until ready to spoon over tuna.
